

Significant Diplomatic Engagements

Hon'ble External Affairs Minister, (EAM), Dr. S Jaishankar delivered remarks At First 'ASEAN Future Forum' on 23 April 2024:

Hon'ble External Affairs Minister, Dr. S Jaishankar virtually delivered remarks At First 'ASEAN Future Forum' hosted by Vietnam, with the theme of "Toward fast and sustainable growth of a people-centered ASEAN Community". Speaking at the Forum, EAM highlighted India's belief that, the strong and unified Association of South East Asian Nations (ASEAN) can play a constructive role in the emerging regional architecture of the Indo-Pacific. EAM highlighted that, the synergy between 'India's Indo-Pacific Oceans Initiative' (IIPOI) and the ASEAN Outlook on Indo-Pacific (AOIP) provides a strong framework of cooperation, including, addressing challenges to comprehensive security. EAM further added that ASEAN is at the heart of India's Act East policy and is a crucial pillar in India's wider Indo-Pacific mission. He emphasized that the time has come for the Global South to present its perspective and assume a greater role in international affairs. EAM remarked that it is vital that freedom of navigation, overflight and unimpeded commerce are respected and facilitated by all. Highlighting the role of QUAD, Dr. Jaishankar said that QUAD leaders have been consistent in extending their unwavering support for ASEAN centrality.

Inauguration of the 5th Dr Ambedkar International Convention by Hon'ble Prime Minister of Malaysia, Anwar Ibrahim:

High Commission of India celebrated the 133rd Birth anniversary of Dr. B.R. Ambedkar, by joining the activities organized by Dr Ambedkar Welfare Organization of Malaysia in Selangor, Malaysia, which also featured the 5th Dr Ambedkar International Convention on 14-15 April 2024. Prime Minister of Malaysia, Mr. Anwar Ibrahim graced the occasion as the Chief Guest and also inaugurated the 5th Dr Ambedkar International Convention. Delivering the keynote address on the occasion, PM Anwar stated that Dr Ambedkar's lifetime mission and achievements have had a deep impact on his own life. PM Anwar added that, Dr Ambedkar's struggle can inspire Malaysia to become a country of intellectual discourse, valuing friendly perspectives and managing differences of opinion in an orderly manner. PM Anwar called for greater national unity and social cohesion among the communities in Malaysia. PM Anwar Ibrahim was felicitated with the Dr. Ambedkar International Award. Six Malaysians were felicitated with Dr Ambedkar Award for the

year 2024, including Datuk Periasamy Munisamy, Mr.Ahmad Zaharil, Mr Samuel J Dass, Mr Sambath Rao, Ms Thinaah Muralithran and Misha Prietyka Prabu for their achievements and significant contributions to the country. High Commissioner Mr. B.N. Reddy, Dr Bhimrao Yashwant Ambedkar (grandson of Babasaheb Ambedkar), members of various community and cultural associations in Malaysia and members of media graced the occasion. Datuk K Panjamurthi, President, Dr Ambedkar Welfare Organization, Malaysia delivered the welcome address and YB Senator Saraswathy Kandasami, Deputy Minister of National Unity, Malaysia addressed the gathering on the occasion. The conference symbolized the collective effort towards advancing the principles of equality and social justice espoused by Dr. Ambedkar.

As a prelude to the 133rd Birth anniversary celebrations, a dinner was hosted by Dr.Ambedkar Welfare Organization on 13 April, in which the Federal Minister of Human Resources of Malaysia, Mr.Steven Sim Chee Keong graced the occasion as the Chief Guest and delivered the key note address. Mr Steven Sim highlighted Dr Ambedkar's vision and ideals, as well as their continued relevance in contemporary times. Dr Bhimrao Yashwant Ambedkar, grandson of Babasaheb Dr. B.R.Ambedkar also addressed the gathering. Speaking on the occasion, High Commissioner lauded the efforts of Dr.Ambedkar Welfare Organization headed by Datuk K.Panjamurthi, in their mission to promote the principles and values championed by Dr.Ambedkar. Dignitaries who graced the gala dinner included the Deputy Minister of Unity & Patron of Dr.Ambedkar Welfare Organization, Senator YB Saraswathy Kandasami, YB M. Kulasegaran, Deputy Minister for Law and Institutional Reform; YB Dato' Ramanan Ramakrishnan, Deputy Minister of Entrepreneur and Cooperatives Development of Malaysia; Datuk K.Panjamurthi, President, Dr. Ambedkar Welfare Organization; OMS Thiagarajan, President, OMS Foundation.

Engagements of High Commission of India Kuala Lumpur

High Commissioner Mr. B.N.Reddy called on Tan Sri Dato' (Dr.) Johari Abdul, Hon'ble Speaker of Dewan Rakyat (House of People) at the Parliament building, Kuala Lumpur on 03 April 2024. They discussed on avenues for strengthening Parliamentary cooperation between India and Malaysia, and fostering greater engagement through regular exchanges among Parliamentarians and Friendship Groups.

High Commissioner, Mr. B.N.Reddy met Datuk Ahmad Terrirudin Mohd Salleh, Attorney General of Malaysia in Putrajaya, Kuala Lumpur on 03 April 2024. They discussed avenues for strengthening cooperation in sphere of legal affairs, MLAT matters, and other issues of mutual interest.

High Commissioner Mr. B.N.Reddy met with Dato' Ruslin bin Jusoh, Director General of Immigration Malaysia in Putrajaya on 30 April 2024. They discussed about joint efforts to improve welfare of Indian nationals visiting Malaysia and also the well being of Indian nationals in detention camps and suggestions to advance people-to-people connect between the two countries.

High Commission, in partnership with Netaji Welfare foundation & Netaji Service Centre organised the 100th Birthday celebrations of INA Veteran, 2nd Lt N Sundram at Netaji Subhas Chandra Bose Indian Cultural Centre, Kuala Lumpur on 5 April 2024. High Commissioner welcomed the guests and highlighted the yeoman contribution of INA Veterans in Malaysia for India's struggle for independence under Netaji's leadership. High Commissioner Also referred to felicitation of 2nd Lt Sundram by Shri Rajnath Singh, Hon'ble Raksha Mantri in July last year and interaction with Dr. S. Jaishankar, External Affairs Minister in March this year. Mr Ratha Krishnan, President Netaji Welfare Foundation addressed the gathering on the occasion. Speaking on the occasion, 2nd Lt Sundram who fought alongside Netaji in the Burma border in 1943 shared fond memories of his interaction with Netaji. High Commissioner felicitated 2nd Lt N Sundram with a souvenir on the momentous occasion and launched the book "The Journey of my life" written by 2nd Lt N Sundram. Ms. Aradhana Takthani, Journalist, The Times of India shared excerpts of her chapter on 2nd Lt N Sundram, from her upcoming book "Untold stories of Netaji'Soldiers". The cultural programmes featured a dance and skit by SJK(T) students. Netaji Welfare Foundation as part of its effort to support education, handed over token financial assistance to 35 students from SJK(T) Castlefield.

Director General, ICCR, Shri Kumar Tuhin presented certificates to the winners of the 2nd Pratibha Sangam global competition on 10 April 2024. Winners from UK, Russia, Sri Lanka, Japan, Malaysia, the USA, and the Netherlands—were honored for their outstanding achievements in this event. Pratibha Sangam, an initiative by ICCR as part of the Azadi ka Amrit Mahotsav, sheds light on classical Indian music and dance, acknowledging the invaluable contributions of foreign nationals and overseas Indians to these art forms. Mission congratulated Ms Kim Khoo and Ms Vinitha Balarama, winners in Kathak and Odissi categories respectively, from Malaysia (Temple of Fine Arts, Kuala Lumpur) of the 2023 Pratibha Sangam Competition.

Over 70 traders from India & Malaysia participated in the Virtual Buyer Seller Meet on Indian Mangoes held by High Commission of India in association with Kuala Lumpur Agricultural and Processed Food Products Export Development Authority (APEDA) on April 18 2024. High Commissioner highlighted the significance of India-Malaysia's trade in food products and the potential for Indian mangoes in Malaysian market in view of India's 27,000 metric tonnes of global mango exports in 2023. Chairman APEDA, Shri Abhishek Dev welcomed closer exchanges in mango trade and potential for also value-added products related to mangoes. Mr.

Ekram Hussain, Vice President of Vegetable and Fruits Association of India outlined the delicious varieties of Indian mangoes and the export potential. Mr. Ramesh Kodammal, International Business Council of Malaysian Indian Chamber of commerce and industry , Mr. Chandra, from Kuala Lumpur & Selangor Indian Chamber of Commerce Industry, Mr. Norman Rajen from Mydin Malaysia, Mr. Shiroj from Lulu Hypermarket spoke about the keen interest among Malaysian traders to import Indian mangoes. Traders from two sides had fruitful exchanges with the aim of increasing Indian mangoes in Malaysian market.

High Commissioner, Mr. B.N. Reddy join KL20 Interaction over Dinner in conjunction with KL20 Startup Summit chaired by Prime Minister of Malaysia, Mr. Anwar Ibrahim and joined by four Cabinet Ministers, investors and sovereign wealth funds on April 22. High Commissioner briefed about the transformative changes in India, launched by Prime Minister Shri Narendra Modi since 2016 in startup ecosystem in India- with India emerging as the third

largest startup hub in the world in a short period. High Commissioner also elaborated on key reforms resulting in about 500 startups in 2016 increase to 127,000 and highlighted the presence of 10 Indian startups, including 4 unicorns in Malaysia. HC also listed next steps in deepening startup engagement between India and Malaysia, including launch of India-Malaysia Startup Bridge. HC also conveyed that Indian startups are keen to make Malaysia to become a hub for their activities in the Southeast Asia region. The Event was coordinated by Mr Nitin Jaiswal, Head, Asia-Pacific (ER), Bloomberg. HC also met mr. Rafizi Ramli, Minister of Economy and Mr. Gobind Singh Deo, Minister of Digital, Mr. Chang Li Kang, Minister of Science, Technology, and Innovation (MOSTI), and Dr Zaliha Mustafa, Minister of Federal Territories at the dinner interaction.

A group of seven people, including men and women in formal attire, are standing together for a group photo. They are in an indoor setting with a red carpet and a framed picture on the wall in the background.

Netaji Subhash Chandra Bose Indian Cultural Centre Kuala Lumpur (NSCBICC) and the High Commission organised the inaugural event of “Confluence: Samagam- Language Series” on Punjabi language on 27 April 2024 at NSCBICC premises in Kuala Lumpur.

This was the first in the series to encourage efforts to preserve and propagate prominent 7 Indian languages spoken by the Persons-of-Indian origin (PIO) community in Malaysia. Mr. Ajit Singh, Former ASEAN Secretary General inaugurated the event and delivered the inaugural address. High Commissioner welcomed the gathering of over 130 members from prominent Gurdwaras and Sikh associations including Tatt Khalsa Diwan, Selangor; Gurdwara Sahib Petaling Jaya; Khalsa Diwan Malaysia; Sikh Women’s Awareness Network; Members of Sri Dashmesh International school; Punjabi Diaspora Association; Sikh Naujawan Sabha; and Punjabi Sahitik Sebha. Prominent Punjabi language scholars and academicians including Mr Santokh Singh Randhawa; Dr Manjit Singh Sidhu; Sardar Jaginder Singh; Professor

Surinder Pal Kaur; Dato B.S.Bains; Mr Karnail Singh Shounki; Ms Jasween Kaur joined the event as speakers. They were felicitated on the occasion. The topics covered in the plenary session included Distribution of Sikhs in Malaysia; Successful Revival of Punjabi Language; Preserving Punjabi language through Theatre & Art and through Audio Visual Media and Revitalisation of Punjabi language. Punjabi students who had benefitted from the Punjabi Language Centres in Malaysia shared their experience of learning the language. Books in Gurmukhi as well as books on Sikhism and Punjabi language evolution were distributed to prominent Gurdwaras, Sikh associations and Punjabi schools by Tan Sri Dato’ Ajit Singh and High Commissioner.

The 75th Foundation Day of Indian Council for Cultural Relations (ICCR) celebrations by Netaji Subhash Chandra Bose Indian Cultural Centre & High Commission of India were held on 16 April 2024.

Doyens of Indian culture in Malaysia and heads of Indian dance academies and centres as well as heads of several community and socio-cultural organizations in Malaysia joined the celebrations. High Commissioner delivered the special address on the occasion and elaborated on ICCR’s journey of creating cultural understanding between India and Malaysia, and

the world over the years. Deputy High Commissioner and Acting Director, ICC, Ms Subhashini Narayanan welcomed the gathering and shared the Netaji Subhash Chandra Bose Indian Cultural Centre's activities for 2023-24. ICCR alumni shared poignant testimonials of their association with ICCR and the positive impact on their professional journeys. Excellent performances by Temple of Fine Arts (Kuchipudi, Bharatnatyam), NSCBICC students (Carnatic Music, Kathak) embellished the evening of culture.

What's New – Business & Investments News in India

1. India takes top rank in world artificial intelligence race

According to a recent report by NetApp, a prominent data infrastructure company, nations such as India, Singapore, the United Kingdom, and the United States (US) are leading the charge in AI adoption and innovation. The report, conducted in collaboration with Savanta, surveyed over 1,300 executives across ten countries to gauge AI implementation status in various industries. It revealed that 60% of companies in leading countries have already initiated and operationalized AI projects...[read more](#)

2. India global services export to reach US\$ 800 billion by 2030: GoldmanSachs

Goldman Sachs forecasts India's services exports to surge to US\$ 800 billion by 2030, a significant rise from US\$ 340 billion in 2023, bolstering the external sector and curbing rupee volatility. The report titled 'India's Rise as the Emerging Services Factory of the World' projects services exports to represent around 11% of GDP by 2030, compared to 9.7% in 2023. India's contribution to global services exports has more than doubled in the last 18 years, with the emergence of global capability centers (GCCs) driving growth. High-value services are anticipated to fuel demand for top-tier discretionary spending, stimulating domestic commercial and residential real estate activity...[read more](#)

3. India ranks 4th in global military spending at US\$ 83.6 billion in 2023: Report

In 2023, India ranked as the world's fourth-largest military spender, allocating US\$ 83.6 billion towards modernizing various weaponry and combat systems, per a Stockholm International Peace Research Institute (SIPRI) report. India's military expenditure witnessed a 4.2% increase compared to 2022, reflecting its strategic focus on enhancing defence capabilities. Investments encompass fighter jets, helicopters, warships, tanks, artillery guns, rockets, missiles, unmanned capabilities, and other combat systems. India maintained its fourth position in 2022, with military spending amounting to US\$ 81.4 billion, representing a 6% surge from 2021 and a substantial 47% rise since 2013...[read more](#)

4. India recorded about 131 billion UPI transactions in FY24, says Minister of Finance

The Minister of Finance, Ms. Nirmala Sitharaman, announced at the 'Viksit Bharat Ambassador' event that India witnessed a remarkable surge in digital payments, with approximately 131 billion Unified Payments Interface (UPI) transactions amounting to US\$ 2.39 trillion in FY24. She highlighted the widespread adoption of digital payment technology even in rural areas, emphasizing that it's not just conglomerates but also ordinary citizens participating in these transactions....[read more](#)

5. Commerce Ministry working on infrastructure to achieve US\$ 1 trillion exports by 2030

The Department of Commerce, led by Additional Secretary Mr. Anant Swarup, spearheads efforts to identify critical infrastructure needs and strategic sectors to realize India's US\$ 1 trillion merchandise exports target by 2030. Collaborating with the Asian Development Bank for a comprehensive study, he emphasizes the importance of assessing the nation's capacity to accommodate an estimated US\$ 2.5 trillion in export-import (EXIM) trade, with US\$ 1.5 trillion in imports...[read more](#)

6. Renewable Energy accounted for 71% of India's new Power generation in FY 24

In India during FY 23-24, Renewable Energy (RE) contributed more than 70 per cent of the 26 GW (GigaWatt) of new power generated in the country. India's total installed energy capacity has now reached 442 GW, with RE comprising approximately 33 per cent (144 GW) and hydro contributing 11 per cent (47 GW), according to the report by CEEW Centre for Energy Finance (CEEW-CEF). In line with India's ambitious renewable energy targets, RE auctions soared to a record high, reaching approximately 41 GW of auctioned capacity in FY24...[read more](#)

7. E-commerce market to hit US\$ 325 billion by 2030, rural India to lead growth

A report by Invest India suggests that India's e-commerce landscape is on the brink of monumental growth, projected to reach US\$ 325 billion by 2030, with the nation's digital economy soaring to US\$ 800 billion. With online shopping currently constituting around 7% of India's retail market, the potential for expansion is vast, driven by factors such as high internet penetration, affordable internet services, and a surge in rural smartphone users. India's internet user base, the second largest globally at 881 million, positions it to become the third-largest online retail market by 2030, with an estimated 500 million shoppers...[read more](#)

Spotlight and Opportunities in India

Ayush (Indian Traditional Medicine Systems) Industry

- The AYUSH sector in India has witnessed significant growth in recent years, emerging as a prominent domain in terms of revenue and employment. AYUSH encompasses Indian traditional systems of medicine such as Ayurveda, Yoga, Unani, Siddha, and Homeopathy.
- The sector includes clinics, wellness centers, research, herbal products, education, and holistic health practices. India's AYUSH sector is rapidly expanding, supported by increasing awareness, demand for natural therapies, and government initiatives to promote traditional medicine systems.
- The AYUSH industry has witnessed remarkable growth, with manufacturing reaching US\$ 18 billion in 2020 and reached US\$ 24 billion by 2024. Combined with the AYUSH service sector's valuation of US\$ 26 billion in 2024, the industry's overall worth exceeds US\$ 50 billion. The AYUSH sector is on track to achieve a valuation of US\$ 70 billion for the AYUSH-based healthcare and wellness sector by the year 2025.
- Wellness tourism in India is currently experiencing remarkable growth and is poised to become a key attraction for international travelers seeking holistic rejuvenation and well-being experiences. The market potential for wellness tourism in India is substantial, with an estimated worth of US\$ 19.43 billion in 2024, projected to reach US\$ 26.55 billion by 2029, indicating a significant growth trajectory.
- India's appeal as a global wellness destination is further enhanced by its well-developed infrastructure, modern medical facilities, and convenient travel connections, making it an attractive choice for wellness seekers worldwide. The country's exotic locations, ranging from the tranquil beaches of Goa and Kerala to the majestic Himalayas, offer a diverse range of captivating landscapes ideal for various wellness experiences, further solidifying India's position as a premier destination for holistic well-being pursuits.

INDIA TOURISM -Festivals in India in June 2024

Sl. No	Events	Description	
1.	<p>Ganga Dussehra</p> <p>Date: 16th June 2024</p>	<p>Ganga Dussehra marks the descent of the sacred river Ganges to Earth. Celebrated over ten days, devotees gather along the banks of the Ganges to perform rituals, offer prayers, and take holy dips to cleanse their sins. Varanasi, among other sacred cities, witnesses elaborate celebrations, illuminating the ghats with lamps and fervent devotion during this auspicious occasion.</p>	
2.	<p>Bakrid (Eid al Adha)</p> <p>Date: 17th June 2024</p>	<p>Bakrid, also known as Eid al-Adha or the Festival of Sacrifice, holds immense significance in India's Muslim community. It commemorates the willingness of Prophet Ibrahim to sacrifice his son as an act of obedience to God, symbolizing faith and devotion. Families come together to offer prayers, share meals, and distribute meat to the less fortunate, fostering a sense of unity and generosity across the country.</p>	
3.	<p>International Yoga Day</p> <p>Date: 21st June 2024</p>	<p>International Yoga Day in India signifies the country's commitment to promoting holistic health and well-being through the ancient practice of yoga. The day is marked by widespread participation in yoga sessions, workshops, and events, showcasing India's cultural heritage and the universal appeal of yoga as a path to wellness. It serves as a platform for individuals worldwide to connect, rejuvenate, and embrace the harmony of mind, body, and spirit.</p>	

INCREDIBLE INDIA :

ANDHRA PRADESH - Where tradition meets innovation

Andhra Pradesh, located on the southeastern coast of India, boasts a fascinating blend of ancient heritage and modern developments. With its historic temples, picturesque landscapes, and dynamic cities, Andhra Pradesh invites visitors to explore its diverse charms and vibrant culture

Sl. No	Places to visit	
1.	Sri Venkateshwara Swamy Temple, Tirumala <p>The Sri Venkateswara Swami Temple situated in the Tirumala hills, Tirupati, is dedicated to Venkateswara, an incarnation of Vishnu, revered for his divine presence and believed to alleviate the trials of Kali Yuga. Visitors are often captivated by the temple's intricate architecture, which showcases a blend of Dravidian and Vijayanagara styles. The temple is renowned for its unique practice of 'tonsure,' where devotees offer their hair as a symbolic gesture of surrender and devotion.</p>	
2.	Borra Caves <p>Borra Caves, nestled within the picturesque Araku Valley, reveal a hidden world adorned with unique formations like the "Shiva-Parvathi" stalagmite, believed to represent Lord Shiva and Goddess Parvati. This natural wonder is also homalakona Falls, nestled amidst the lush forests of Chittoor district in Andhra Pradesh, cascades gracefully from a towering height, creating a mesmerizing spectacle of nature's grandeur. Visitors are enchanted by the serene surroundings and the soothing sound of water echoing through the verdant valley to rare species like the golden gecko, adding to its allure as a fascinating destination for both nature enthusiasts and spiritual seekers.</p>	
3.	Sri Veerabhadra Swamy Temple, Lepakshi <p>Sri Veerabhadra Swamy Temple in Lepakshi boasts one of India's largest monolithic Nandi sculptures, carved from a single granite rock. This architectural marvel features intricate carvings, including the famous "hanging pillar," which remains suspended without support, baffling visitors with its engineering ingenuity. Legend has it that the temple was built at the spot where Jatayu, the mythical bird from the epic Ramayana, fell while trying to save Sita from Ravana, adding a mystical dimension to its significance.</p>	

Sl.No	Places to Visit	
4.	<p>Dhyana Buddha Statue Amaravathi</p> <p>The Dhyana Buddha Statue in Amaravathi stands tall at 125 feet, making it one of the tallest monolithic statues of Lord Buddha in India. Crafted from a single block of granite, this majestic statue exudes serenity and tranquility, inviting visitors to contemplate and meditate in its peaceful presence.</p>	
5.	<p>Golconda Fort</p> <p>Golconda Fort in Hyderabad is famed for its acoustic marvel, where the handclap at the entrance can be heard at the highest point, serving as an ancient warning system. This historic fortress also houses the secret Fateh Rahben cannon, renowned for its massive size and remarkable engineering, adding to its allure for history buffs and adventurers alike. Visitors can also marvel at the fort's ingenious water supply system, which utilized sophisticated hydraulic engineering to provide water even during sieges.</p>	
6.	<p>Coringa Wildlife Sanctuary</p> <p>Har Ki Pauri, located in Haridwar along the banks of the Ganges River, is a revered ghat and a sacred pilgrimage site in India. Known for the daily Ganga Aarti, this iconic stepwell is believed to be the spot where Lord Shiva left his footprint. Pilgrims and visitors gather at Har Ki Pauri to participate in religious ceremonies, take a holy dip in the Ganges, and experience the spiritual ambiance of this historic place.</p>	
7.	<p>INNS Kursura (S20) Submarine Museum</p> <p>Moored in Visakhapatnam, the IINS Kursura (S20) Submarine Museum provides a rare peek into submarine operations, showcasing naval ingenuity and expertise. Being the sole submarine museum in South Asia, it serves as an educational gem, inviting guests to delve into the submarine's mechanics and its pivotal role in maritime history, all housed within its steel hull-turned-exhibit space.</p>	

INDIAN COMPANIES IN MALAYSIA: HINDUSTAN AERONAUTICS LIMITED (REGIONAL

- Hindustan Aeronautics Limited (HAL), a Navratna DPSU (Defence Public Sector Undertaking) under Ministry of Defence, Government of India, is a premier aeronautical complex in Asia with 20 production divisions and 10 R&D centres with turnover of more than 3 Billion USD. HAL has more than 8 decades of experience in aerospace sector. HAL's key capabilities include Design & Development, Manufacturing, Repair and Overhaul of Aircraft, Helicopter, Aero Engines, Avionics and other associated systems.
- HAL is equipped with modern infrastructure for design, development and production of aircraft & helicopters and its R&D Centres are co-located with production divisions to provide effective concurrent manufacturing, design and development support. HAL provides full life cycle support for all its products. HAL is the only company with the experience of producing Russian and Western origin Aircraft.
- HAL current product range includes Light Combat Aircraft LCA Tejas, Light Combat Helicopter LCH Prachand, Advanced Light Helicopter ALH Dhruv, Light Utility Helicopter LUH, Hindustan Turbo Trainer HTT-40, Do-228 Multi Mission Aircraft, Hindustan 228 Transport Aircraft.
- HAL is major supplier of Aircraft and Helicopters to Indian Defence Forces. HAL's major exports include ALH Dhruv, Do-228, Cheetah, Chetak, Structural work packages, Forgings, Castings, Avionics, Accessories, Repairable, Spares & Services. HAL produced Platforms like Cheetah (Lama) Chetak (Alouette) ALH Dhruv and Do-228 Aircraft has been exported to Namibia, Mauritius, Seychelles, Guyana, Nepal and Suriname.
- The HAL Regional Office at Kuala Lumpur was inaugurated in July 2023 by Hon'ble Defence Minister of India. This Regional office of HAL would be the coordination hub to promote and explore business opportunities for products of HAL and Indian Defence Industry in South East Asian region.
