

India Calling Conference 2021

Smart Infrastructure and Green Technology - Mobility and Sustainability

Friday, 12 March 2021

Invitation

**Much awaited IMC India Calling Conference is round the corner.
This year on Virtual interactive platform**

We are pleased to inform you that **IMC Chamber of Commerce and Industry** is organizing its annual **IMC India Calling Conference 2021** on **Friday, March 12, 2021** on an interactive virtual platform.

IMC India Calling Conference 2021 will focus on the following two sectors:

**Smart Infrastructure
Green Technology – Mobility and Sustainability**

The Economic Diplomacy Division of the **Ministry of External Affairs, Government of India, Invest India** and **Maharashtra State Innovation Society** have extended their support to the Conference.

The sessions at the conference will include overview by Ministry of External Affairs, discussion by international and Indian influencers on opportunities to Invest in India in smart Infrastructure and green technology, global case studies and NextGen vision of smart infrastructure and green technology. The Conference will also highlight policies that are conducive for foreign investment.

WHY SHOULD YOU ATTEND

India is witnessing tremendous growth potential in two major sectors of global interests and offer unprecedented opportunities for global corporations and businesses.

The one is in areas of breakthrough green technologies (Sustainability and Mobility); and the other is Smart Infrastructure (Smart City / Smart Living).

Over 300 delegates from India and overseas comprising leading technology companies, Start-ups, stakeholders from relevant industry, exporters and importers, entrepreneurs, investors, diplomatic missions, government officials, academia, banks and financial institutions, think tanks and NGOs will participate in this Conference.

The Conference will bring together policy makers, government officials, economists, banks and financial institutions, companies working in these sectors, logistic providers, investors, academic institutions, industry associations and other experts to discuss and share insights into development of markets in India, policy inputs and opportunities for companies to invest and collaborate in above two sectors.

The Conference will provide participating delegates, of Indian and overseas companies, a great platform to network with executives and decision makers of Indian companies and with the relevant government authorities virtually.

It is time to register for the Conference and benefit from various networking opportunity, you may register online on <https://www.imcnet.org/events-950>

Once you register on above link, we will send you link to join on Virtual platform closer to the event.

We look forward to your participation.

With regards,

**Ajit Mangrulkar
Director General**
