INDIA'S TOP JEWELLERY SOURCING DESTINATION

The IIJS is an on-going initiative by the GJEPC to showcase India's Gem and Jewellery design and manufacturing prowess to the world. It is the driving force that has sustained India's position as the global leader for Gems and Jewellery.

The IIJS has grown and expanded to become a globally renowned trade fair whose importance is underlined by the 35,000 domestic and international visitors that attend it each year. As the industry strives to reach new pinnacles of success, the IIJS gives retailers, wholesalers and distributors an opportunity to select exclusive jewellery designs precisely crafted with the best technical knowhow.

The show also puts the latest equipment, technology and accessories in the spotlight to ensure that manufacturers have the best raw materials in order to create jewellery masterpieces.

The continuous success of IIJS reflects the enthusiastic spirit of the gem and jewellery fraternity. At IIJS, there is always something new to discover. The insightful seminars are an opportunity to stay on top of the latest developments.

IIJS is your window to the gem and jewellery world.

SOURCING HUB FOR PREMIUM JEWELLERY DESIGNS

Signature IJJS is the Premier jewellery trade show that sets the benchmark for jewellery design and craftsmanship. Being the first major jewellery show in the calendar year, it serves as the testing ground for new ideas and breakthrough innovations. The show has proved to be a good indicator for tracking jewellery trends for the year. Signature IJJS facilitates an exchange of market insights and knowledge.

Signature IJJS showcases India's top jewellery manufacturers and has carved a niche for itself. The show's exclusive ambience and hospitality is conducive to not only do business, but also to connect with the trade and gauge the pulse of the market.

Manufacturers are adapting to the industry's changing needs and presenting collections that are in tune with consumer demand. Signature IJJS is one show that unites the entire gem and jewellery industry – visitors from 55 countries and 325 cities within India congregate at the Bombay Exhibition Centre to prepare for the coming buying season. It is the ideal networking platform for retailers, wholesalers and distributors looking to stock up inventory.

MANUFACTURING TECHNOLOGY AT ITS BEST

Technology is an integral part of the Indian gem and jewellery industry's success. IGJME plays the vital role of extending the reach of cutting-edge technology across segments, thereby enhancing productivity and quality to manufacture products that are at par with global standards. IGJME seamlessly aligns itself with the government's 'Make in India' initiative to boost domestic manufacturing in the country. At IGJME, exhibitors showcase state-of-the-art jewellery manufacturing technology, including laser machines, computerised yield planning machines, advanced bruiting lathes and diamond impregnated scaives. IGJME thus helps to gain a deeper insight into the ever-changing world of gems and jewellery.
