Organised By:

ASSOCHAM - The Associated Chambers of Commerce and Industry in India was established in 1920 by promoter Chambers, representing all regions of India. The organisation was formed with the vision to empower Indian enterprise by inculcating knowledge that will be the catalyst of growth in the barrier less technology driven global market and help them upscale, align and emerge as formidable player in respective business segments.

ASSOCHAM represents over 4,50,000 direct and indirect members across the country. Through its heterogeneous membership, **ASSOCHAM** combines the entrepreneurial spirit and business acumen of owners with management skills and expertise of professionals to set itself apart as a Chamber with a difference. Currently, **ASSOCHAM** has over 100 National Councils covering the entire gamut of economic activities in India and has acknowledged as a significant voice of Indian industry in all major sectors.

ASSOCHAM in Virtual:

ASSOCHAM in its continuous pace of working for the betterment and empowerment of the industry as a voice, has also strived its best as a strategic hand support to Indian industries in marketing and branding in the global market. In the new virtual world, **ASSOCHAM** is in the forefront in bridging the gap between industries, businesses and partners by organising virtual events. Now on the new front **ASSOCHAM** is committed and organising region specific Virtual BSMs and Trade Shows.
