

The Global Sourcing for
Engineering
First time in PUNE!

06 - 07 - 08
November 2025

Auto Cluster Exhibition Area,
Pune

2nd Edition of SUBCONTRACT INDIA 2025
A Premier Global Engineering & MSME Sourcing Event
6–8 November 2025 at Auto Cluster Exhibition Area,
Pune, Maharashtra, India

EEPC India, the country's apex body for trade and investment promotion under the Ministry of Commerce & Industry, Government of India, in collaboration with the Government of Maharashtra, is excited to announce the second edition of **SUBCONTRACT INDIA**. The event is scheduled from **6th to 8th November 2025** at the **Auto Cluster Exhibition Centre**, Pune. Known as India's manufacturing and automotive powerhouse, Pune offers unparalleled access to top-tier manufacturers, a robust MSME network, and a strong engineering base. Its infrastructure and industrial growth make it the perfect host city for this event.

After successful first edition, SUBCONTRACT INDIA 2025 is set to bring Indian MSMEs and international buyers together, with a strong emphasis on **engineering subcontracting**, **technology transfer**, and **industrial collaboration**. The sectors represented will include **Automobiles**, **Electricals**, **Oil & Gas**, **Construction & Mining**, **Industrial Machinery**, and **Medical Devices**.

"SUBCONTRACT INDIA is more than an exhibition; it's a dynamic business platform that demonstrates the strength of Indian MSMEs and fosters B2B meetings, investment opportunities, and international partnerships," said a spokesperson for EEPC India.

Event Highlights:

- **Dates:** 6–8 November 2025
- **Venue:** Auto Cluster Exhibition Centre, Chinchwad East, Pune, Maharashtra
- **Organized by:** EEPC India, with support from the Government of Maharashtra
- **Website:** <https://subcontractindia.org>
